The Merchant of Venice-William Shakespeare 2003 Presents the original text of Shakespeare's play side by side with a modern version, with marginal notes and explanations and full descriptions of each character.

No Fear : The Merchant Of Venice-Sparknotes Editors 2003-07

The Merchant of Venice-William Shakespeare 2003 Presents the original text of Shakespeare's play side by side with a modern version, with marginal notes and explanations and full descriptions of each character.

William Shakespeare's 'The Merchant of Venice' - Comedy, tragedy or problem play?-Anni St. 2012-02-20 Seminar paper from the year 2010 in the subject English - Literature, Works, grade: 1,3, RWTH Aachen University (Institut für Anglistik), course: Hauptseminar Shakespeare's Comedies, language: English, abstract: The first question that Shakespeare's play The Merchant of Venice raises is "What kind of play is this? Is it a comedy, a tragedy or a problem play?" The Merchant of Venice is believed to be written between 1596 and 1598. Already from the very beginning, hardly any other play has experienced so many diverse receptions after its publication. In his essay on The Merchant of Venice, Walter Cohen comments that "no other Shakespeare comedy before All's Well That Ends Well (1602) and Measure for Measure (1604), perhaps no other Shakespeare comedy at all, has excited comparable controversy." Although the title page of the first edition of the play "The Most Excellent Historie of the Merchant of Venice" (first print in 1600) suggested it to be a history play, it had initially been classified as a comedy. In 1623, Heminges and Condell placed The Merchant of Venice among the comedies in the First Folio of Shakespeare's works. However, many readers, actors, directors and playgoers still argue about the genre of the play. They have difficulties in defining The Merchant of Venice as a comedy as the following quotation shows: "Indeed, seen from any angle, The Merchant of Venice is not a very funny play, and we might gain a lot if, for the moment, we ceased to be bullied by its inclusion in the comedies." Today, The Merchant of Venice is often read and played more like a problem play or even a tragedy. The following term paper deals with the classification of the literary genre of The Merchant of Venice. Does the play belong to the category of comedies or shall it rather be identified as a tragedy or problem play? To assign the play to a specific category, it is necessary to shortly present the criteria of the genres comedy, tragedy and problem play. In chapter 3, the play will be analysed in terms of comic and tragic aspects. The focus is put on the flesh-bond and the courtship plot, the first having its setting in Venice, the second in Belmont. The aim of this chapter is to illustrate that The Merchant of Venice contains both comic and tragic elements. Chapter 4 deals with the complex character Shylock whose perception has changed through the centuries. Is he still the comic villain of the Elizabethan time or can he rather be seen as a victim of extreme anti-Semitism? By giving an insight into comic and tragic aspects in Shakespeare's The Merchant of Venice, this term paper shall try to solve the problem of assigning the play to a specific literary genre.

Developing Library Collections for Today's Young Adults-Amy S. Pattee 2013-12-19 Developing Library Collections for Today's Young Adults features policies that deal expressly with materials that respect the intellectual freedom of young library patrons. It emphasizes the importance of everything from needs assessment to collection development, encouraging librarians to consider informational, recreational, and curricular needs and interests as the library staff select material on behalf of young adults. With detailed guidelines for developing and evaluating collections of print and electronic material, Amy S. Pattee devotes chapters to materials selection, acquisition, and assessment, describing fiction and nonfiction genres, graphic forms, and multimedia and electronic materials, including networked resources, e-books, and computer games. Developing Library Collections for Today's Young Adults may be consulted by librarians charged with the development and maintenance of public library collections for young adults and may be employed in library science courses related to young adult literature and library services and collection development.

Forthcoming Books-Rose Arny 2003

We Do Language: English Variation in the Secondary English Classroom-Anne H. Charity Hudley 2013-11-29 We Do Language builds on the authors' highly acclaimed first collaboration, Understanding English Language Variation in U.S. Schools, and examines the need to integrate linguistically informed teaching into the secondary English classroom. The book includes specific information about the language varieties students bring with them to school so that educators can better assist students in developing the literacy skills necessary for the Common Core State Standards. This resource features concrete strategies, models, and vignettes, as well as classroom materials developed by English educators for English educators.

Teen Genre Connections-Lucy Schall 2005 Collects information on recommended reading for teenagers in several genres, including personal and social challenges, land and sea adventures, and contemporary and historical mystery and suspense.

American Book Publishing Record- 2003

The Leatherstocking Tales: The pioneers, or The sources of the Susquehanna. The last of the Mohicans. The prairie-James Fenimore Cooper 1985 Natty Bumppo and Chingachgook, bring alive the early 1700's when

Americans, French, and Huron were fighting for the vast, uncharted wilderness.

Teaching Shakespeare with Purpose-Ayanna Thompson 2016-01-28 What does it mean to teach Shakespeare with purpose? It means freeing teachers from the notion that teaching Shakespeare means teaching everything, or teaching "Western Civilisation"? and universal themes. Instead, this invigorating new book equips teachers to enable student-centred discovery of these complex texts. Because Shakespeare's plays are excellent vehicles for many topics -history, socio-cultural norms and mores, vocabulary, rhetoric, literary tropes and terminology, performance history, performance strategies - it is tempting to teach his plays as though they are good for teaching everything. This lens-free approach, however, often centres the classroom on the teacher as the expert and renders Shakespeare's plays as fixed, determined, and dead. Teaching Shakespeare with Purpose shows teachers how to approach Shakespeare's works as vehicles for collaborative exploration, to develop intentional frames for discovery, and to release the texts from over-determined interpretations. In other words, this book presents how to teach Shakespeare's plays as living, breathing, and evolving texts.

The Jasper Love Trilogy-Onyx Cantor 2020-03-02 This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

An Enemy of the People-

Shakespeare for Grown-ups-Elizabeth Foley 2014-09-18 Need to swot up on your Shakespeare? Do you find yourself dozing off during A Winter's Tale? Can you complete the line: 'O Romeo, Romeo...'? Are you guilty of uttering the phrase 'hoist with his own petard' without really knowing what a 'petard' is? Feeling a bit shaky when it comes to your knowledge of Shakespeare? From the authors of the number-one bestselling Homework for Grown-ups, Shakespeare for Grown-ups is the essential book for anyone keen to deepen their knowledge of their plays and sonnets. For parents helping with their children's homework, casual theatre-goers who want to enhance their enjoyment of the most popular plays and the general reader who feels they should probably know more about Britain's most splendid scribe, Shakespeare for Grown-ups covers Shakespeare's time; his personal life; his language; his key themes; his less familiar works and characters; his most famous speeches and quotations; phrases and words that have entered general usage, and much more. With lively in-depth chapters on all the major works including Hamlet, Othello, King Lear, The Tempest, Romeo and Juliet, Much Ado About Nothing, Antony and Cleopatra, Richard II, Henry V, A Midsummer Night's Dream, The Merchant of Venice and Macbeth, Shakespeare for Grown-ups is the only guide you'll ever need.

Shakespeare and Creative Criticism-Rob Conkie 2019-09-01 What kinds of critical insights are made possible only or especially via creative strategies? This volume examines how creative modes of writing might facilitate or inform new ways to critically engage with Shakespeare. Creative writing, demonstrated in a series of essays, reflections, stories and scenes, operates as a vehicle for exploring and articulating critical and theoretical ideas. In doing so, Shakespeare's enduring creative and critical appeal is newly understood and critiqued.

Discipline Without Anger-Doug Campbell 2012 "As times and students change, teachers are finding that the old methods of anger and intimidation are no longer working for classroom management. Discipline without Anger shows teachers how to successfully manage student misbehavior so that they can be free to teach at their full potential. Without a change, our schools and students will continue to suffer the consequences"--Provided by publisher.
