Chapters: Before I Let You Go, Blood on the Dance Floor (song), Booti Call, Dangerous (Michael Jackson song), Demon (song), Girlfriend/Boyfriend, Heaven Can Wait (Michael Jackson song), HIStory/Ghosts, Hollywood Tonight, I'm Looking for the One (To Be with Me), In the Closet, I Like (Guy song), I Like the Way (The Kissing Game), I Want Her, Jam (song), Joy (Blackstreet song), Let's Chill, My

Prerogative, Never Let You Go (New Kids on the Block song), No Diggity, Remember the Time, Shock Your Mama, Something in Common, Take Me There (Blackstreet & Mya song), The City Is Mine. Excerpt: "My Prerogative" is a song by American recording artist Bobby Brown from his second solo studio album, Don't Be Cruel. It was released on October 11, 1988 as the second single from the album. After recording sessions for the album were completed, Brown and producer Gene Griffin travelled to New York City, since he felt something was "missing" from the record. "My Prerogative" was written by Brown as a response to the criticism he received for his departure from New Edition. He explained the song was about making decisions in one's life and not caring about other people's judgment. "My Prerogative" is often considered a new jack swing anthem, and contains many elements from Teddy Riley productions. The song was positively received by critics and was nominated for a Grammy Award in the category of Best R&B Urban Contemporary Single. It was also commercially successful, reaching number one in Billboard's Hot 100 and Hot R&B/Hip-Hop Songs charts. "My Prerogative" also reached top ten positions in many countries, such as Ireland, New Zealand, the Netherlands and the United Kingdom. The music video for the song features Brown performing the song on stage with his band and dancers. The song was also...

Chapters: Automatic for the People, Be Here Now (album), Call Off the Search, Dangerous (Michael Jackson album), Escapology (album), Greatest Hits (Eurythmics album), Hotel California, Hot Fuss, Led Zeppelin IV, Legend (Bob Marley & The Wailers album), Let's Talk About Love, No Jacket Required, Older (album). Excerpt: No Jacket Required is the third solo album by English singer-songwriter Phil Collins, released on 25 January 1985. The album was named after an incident at The Pump Room in Chicago, where Collins was denied admittance to the establishment because of his attire. No Jacket Required features guest vocalists, including Helen Terry, Peter Gabriel and Sting. Some of the songs, like "Don't Lose My Number" and "Sussudio," were based around improvisation

(although some would argue that "Sussudio" was based around Prince & The Revolution's seminal 1982 single "1999"). Other songs, like "Long Long Way to Go," had a political message. "One More Night," "Sussudio," "Don't Lose My Number," and "Take Me Home" were released as singles, with corresponding music videos. All four singles were top-ten hits in the Billboard Hot 100, with "Sussudio" and "One More Night" reaching number one. The three singles that were released in the UK all reached the top 20 on the UK charts. The album was positively received and won the Grammy Award for Album of the Year in 1985. Stephen Holden of The New York Times said that Collins was "quietly revolutionising and expanding the role of the drums in pop record making." Rolling Stone reviewer David Fricke said that, "Like his '81 and '82 outings, Face Value and Hello, I Must Be Going!, No Jacket Required is not an album that waits to be liked." Collins' most commercially successful album, No Jacket Required went to number one in several countries, ...

**Michael Jackson: His Music, Performance and Genius**-Les Nicholls 2020-12-25 Michael Jackson made music because he wanted to be loved back and that was what drove him to be as good and as perfect a performer as he could be. That someone so talented and loved by millions should die so young is tragic. Although aged just 50 when he died, his career spanned over 40 years. During that time he recorded the best-selling album of all time, pioneered the music video and redefined what it was to be a pop star. Multitalented, he was singer, dancer, performer, composer, choreographer, record producer, actor, businessman, and philanthropist. For many he was the greatest entertainer of all time and he was an inspiration for performers across all music genres. This book is not a detailed biography, neither is it a detailed commentary on the various controversies, media speculations and accusations. This book is about the singer, performer and musical genius that was Michael Jackson.

Excerpt: Nevermind is the second studio album by the American rock band Nirvana, released on September 24, 1991. Produced by Butch Vig, Nevermind was the group's first release on DGC Records. Frontman Kurt Cobain sought to make music outside the restrictive confines of the Seattle grunge scene, drawing influence from groups such as the Pixies and their use of song volume dynamics. Despite low commercial expectations by the band and its record label, Nevermind became a surprise success in late 1991, largely due to the popularity of its first single, "Smells Like Teen Spirit." By January 1992, it had replaced Michael Jackson's album Dangerous at number one on the Billboard charts. The album also produced three other subsequent singles: "Come as You Are," "Lithium," and "In Bloom." The Recording Industry Association of America has certified the album Diamond (over 10 million copies shipped), and the album has sold over 30 million copies worldwide. Nevermind was responsible for bringing alternative rock to a large mainstream

audience, and critics subsequently regarded it as one of the best albums of all time.
